Hand-drawn diagram of a rectangular area divided into six sections. The overall dimensions are 46 (width) and $57 \frac{1}{8}$ (height). The bottom section is labeled $119 \frac{5}{8}$. The top row contains three sections: the left one has $D \ 21 \frac{1}{2}$ and $D/B \ 3 \frac{9}{8}$; the middle one has $D/B \ 3 \frac{9}{8}$; the right one has $D/B \ 3 \frac{9}{8}$ and $D \ 21 \frac{1}{2}$. The bottom row contains three sections: the left one has $B \ 3 \frac{9}{8}$ and $D \ 21 \frac{1}{2}$; the middle and right ones are empty.
